

Ludborough Parish Council Christmas Newsletter

Village Christmas Tree

We are pleased to confirm that the village will have a Christmas tree. This will be displayed outside The Livesey Arms for the festive season. The tree will be decorated in late November, bringing a traditional and welcoming focal point to the heart of the village.

The Christmas lights will be switched on during the last weekend of November, marking the beginning of our village's seasonal celebrations. We hope residents will enjoy the display and the sense of community spirit it brings at this special time of year.

A WARM WELCOME

As we approach the Christmas season, we are pleased to share this special edition of our village newsletter. This time of year offers an opportunity to reflect on the past months, acknowledge the efforts of our community, and look ahead to the year to come.

Christmas is a valued time within our village, marked by tradition, goodwill, and a shared sense of community spirit. We hope that the information contained within this newsletter will keep residents informed of forthcoming events, and opportunities to participate in village life during the festive period.

The Parish Council extends its sincere thanks to all residents, volunteers, and community groups whose continued contributions support the wellbeing and character of our village.

We wish all members of our community a peaceful, safe, and enjoyable Christmas, and a prosperous New Year.

Ludborough Parish Council

Village Clean Up

To help prepare the village for the Christmas period, we will be holding a Village Clean-Up on Saturday 29th November at 10:00am. We are asking for volunteers to join us in tidying the village, litter-picking, and helping with general clean-up tasks. We will be meeting outside The Livesey Arms. All ages and abilities are welcome, and even an hour of your time will make a real difference.

This is a great opportunity to contribute to the community, meet new people, and help ensure the village looks its best for the festive season.

MEMORIAL TREE

Alongside our main village Christmas tree outside The Livesey Arms, we will once again have a **Memorial Tree** for residents who wish to remember loved ones who are no longer with us. We warmly invite anyone who wishes to do so to tie a ribbon, hang a bauble, or place a small decoration on the tree in memory of someone special. This simple gesture creates a meaningful and comforting display, reminding us of those we hold dear during the festive season. All residents are welcome to take part at any time throughout December.

Ludborough In Lights

We would like to encourage everyone to join in helping to brighten up the village this Christmas. Whether it's a simple window decoration, festive lights, or adding a touch of colour at home, every contribution helps create a warm and cheerful atmosphere for all to enjoy and some great prizes to be won.

The competition will be judged by some of the younger village community.

Prizes:

Best Overall Display: £50 voucher for The Livesey Arms

Most Creative Design: Large Fruit Hamper from J Shaws & Son, Alvingham

Winners Announced: Sunday 14th December 2025

**Sunday 21st December - 5pm
Carol Service**

**Monday 22nd December - 6pm
Carols on the Green**

Be Vigilant

We would like to remind all residents to remain vigilant over the festive season. There have been recent reports of unwanted people and activity in the village, and we encourage everyone to be mindful of their surroundings.

Please ensure homes, vehicles, and outbuildings are secure, and report any suspicious behaviour to the appropriate authorities. By staying alert and looking out for one another, we can help keep our village safe.

The Parish Council is also currently exploring ways to improve and update the Neighbourhood Watch scheme to provide better support and communication for residents. Further information will be shared in due course.

Bonfire Night

A huge thank you to Agi, Laura, and the whole team for organising this year's village bonfire and fireworks display. Despite the challenging weather, the community came together and an impressive £672.00 was raised for St Mary's Church.
